## **CARNABY, I FEEL GOOD**

Are you a get-up-and-go sort of person? Then Piaggio has designed a user-friendly means of transport with you in mind. Carnaby creates an instant appeal, with every detail being an expression of style and functionality.

Its sturdy frame, large 16" wheels, and powerful braking system ensure great stability on challenging roads and in any weather conditions, making the Carnaby a comfortable ride for rider and passenger.

Light, agile, easy to ride and practical with unique and stylish features, the Carnaby is the ideal solution for commuters, and with its innovative accessories a perfect all year around scooter.

WINDSCREEN

**Windscreen.** The high windscreen is impact resistant and chip-proof.

## USER-FRIENDLY TECHNOLOGY

The Carnaby is powered by the latest-generation 4-stroke, 4-valve Piaggio Leader, liquid cooled 125cc engine, which meets Euro 3 emission standards and performs at the top of the category for a smooth and nippy ride.

BRAKES

**Easy brake,** front and back, powerful 260 mm discs.

## SEAT

Wide, comfortable, two-tone, double stitched seat. Height off the ground: 790 mm.

## TOP BOX

**Easy box**, is a brand new 38 litre top box with back rest, specifically designed for the Carnaby and finished with a painted cover to match the paintwork.

## EASY BAG

**Easy bag**, a multipurpose waterproof easily detachable bag intelligently designed to create further space.

Carnaby will surprise you every time you go for a ride. Take its innovative shaped front lights or the spacious under-seat bay, big enough to hold a jet helmet, with two side pockets for smaller objects. Then there is the Easy box: a new integrated top box designed to hold two jet helmets, with a quick and easy locking system operated by the scooter's ignition key. And the Easy cover: an innovative fold-away leg cover that can be used to channel warm air from the radiator, making Carnaby a pleasure to ride even in the cold winter months.
